

Here's your chance to...
BEAT THE RATE INCREASE!

On August 1, the *Azle News* will implement a modest subscription rate increase to help us keep up with the cost of producing one of Texas' best weekly newspapers.

It's not a big increase, but we still want to give readers a chance to **beat it** by renewing early or purchasing a two-year subscription to lock in the old rate before the new one takes effect.

If you renew before August 1 you can still subscribe for:

- One year at \$28.50 (Tarrant, Parker and Wise counties);
- Two years at \$47.50 (Tarrant, Parker and Wise counties);
- Seniors (65 and over) in-county \$24.50 one year
- Seniors in-county \$44.50 two years
- One year out-of-county, \$34.50.

These rates are only good until Aug. 1, so if you're sending the paper to a loved one who has moved away, renew theirs, too!

NO MATTER WHEN YOUR SUBSCRIPTION EXPIRES,
 if you renew prior to August 1 we'll just add the year(s) on to your current subscription!
Don't miss this money-saving opportunity!

To get your questions answered or sign up for a subscription, call us at **817-270-3340** - we accept Mastercard or Visa credit cards - or come by the office on Main Street today. If you'd like to mail it in, the form below is provided for your convenience!
